The Contractor shall protect, indemnify, defend and save harmless the County and its officers, agents and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from (1) the Contractor's failure to pay any such compensation, wages, benefits or taxes; and/or (2) the supplying to the Contractor of work, services, materials, and/or supplies by Contractor employees or other suppliers in connection with or in support of the performance of this Contract.

The Successful Awardee shall promptly submit its request for the termination payment, together with detailed supporting documentation. If the Successful Awardee has any property in its possession belonging to the County, the Successful Awardee will account for the same and dispose of it in the manner the County directs.

B. Termination for Default

In addition to termination for convenience, if the Successful Awardee does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services and the Successful Awardee fails to perform in the manner called for in the contract, or if the Successful Awardee fails to comply with any other material provisions of the contract, the County may terminate this contract, in whole or in part, for default. Termination shall be effected by serving a Notice of Termination by certified mail (return receipt requested) on the Successful Awardee setting forth the manner in which the Successful Awardee is in default and the effective date of termination; provided that the Successful Awardee shall have ten (10) calendar days to cure the default. The Successful Awardee will only be paid for goods delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract less any damages to the County caused by such default.

The termination of this contract shall in no way relieve the Successful Awardee from any of its obligations under this contract nor limit the rights and remedies of the County hereunder in any manner.

C. Termination for Non-Appropriation

This contract may be canceled at the end of the then current fiscal period for non-appropriation of funds by the King County Council. Such cancellation shall be upon thirty (30) days written notice to the Successful Awardee. King County's fiscal period ends December 31 of each year. If the contract is terminated as provided in this subsection:

The County will be liable only for payment in accordance with the terms of this contract for services rendered prior to the effective date of termination; and

The Successful Awardee shall be released from any obligation to provide further services pursuant to the contract as are affected by the termination.

Funding under this contract beyond the current appropriation is conditional upon the appropriation by the County Council of sufficient funds to support the activities described in this contract. Should such an appropriation not be approved, the contract will terminate at the close of the current appropriation year.

SECTION 4 - SPECIFIC CONTRACT TERMS AND CONDITIONS

4-1 CONTRACT VALUE

The estimated annual value of this contract is approximately **\$100,000.00**. King County will not be limited, restricted or bound by this dollar value, nor shall the County be obligated to purchase any items contained in this ITB.

4-2 DELIVERY

Delivery is required as soon as possible and not later than seven (7) days after verbal placement of an order. Offerors shall state on Page 1 of this ITB, the number of days in which they will guarantee delivery after receipt of order. Bid prices shall include delivery, FOB destination, to various King County sites throughout the County.

It is anticipated that projects of an emergency nature will develop during the contract period which will, in turn, require pick-up or delivery of plants, shrubs, and other nursery items on very short notice.

4-3 CONTRACT DURATION/ EXTENSION

The contract period may be extended in one-year increments for two additional one-year periods, unless otherwise specified, in accordance with the best interest and at the sole option of the County.

4-4 PRICE REVISIONS

The prices shall remain firm for at least one (1) year after the bid award.

All price reductions at the producer/manufacturer or distributor's level shall be reflected in a reduction of the contract price(s) to King County retroactive to the effective date of the price change.

In the event of a price increase at the producer/manufacturer's level during the contract period, the Contractor may request a price change not to exceed the exact amount of the producer/manufacturer's price increase. The request shall include adequate documentation such as a copy of their supplier's price change notice or documentation from the Producer Price Index (PPI). Requests for any such change shall be made in writing to the named buyer at the King County Procurement Services Section office. The Contractor shall endeavor to give the King County Procurement Services Section thirty (30) days but not less than fourteen (14) days notice prior to the effective date of the price increase. King County will evaluate this information to determine if the pricing is considered fair and reasonable to the satisfaction of King County. The County may cancel the contract if the price increase request is not approved.

Any agreed-to change shall take effect at the time of the contract extension and shall remain in effect throughout the extension period. Failure to provide the requested documentation to support a price change request shall not impact the ordering or delivery of any item or service associated with the contract. The parties hereto recognize that such changes could be increases or decreases in the prices; both parties are entitled to benefit from such price changes.

INVITATION TO BID 13054-JLP
KING COUNTY CONTRACTING OPPORTUNITIES PROGRAM
FOR GOODS AND SERVICES CONTRACTS

The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one-year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses through the use of a five percent (5%) incentive factor in the award of King County contracts for the purchase of goods and services.

A "Small Economically Disadvantaged Business" (SEDB) means that a business and the person or persons who own and control it are in a financial condition which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is based on a dollar ceiling for standard business classifications that is set at fifty percent (50%) of the Federal Small Business Administration (SBA) and Owners' Personal Net Worth less than \$750K dollars.

A "Certified Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SEDB by the King County Business Development and Contract Compliance (BDCC) office. Information about becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by contacting the BDCC office at (206) 205-0700.

Application of the 5% Incentive Factor and Contract Award:

1. This contract will be awarded to the lowest responsive, responsible offeror; provided, however, that if the bid price of a responsive, responsible SEDB is within five percent (5%) of the bid price of the lowest responsive, responsible offeror, and that offeror is not a SEDB, then the contract shall be awarded to the low SEDB offeror.
2. All certified SEDB offerors must complete the information in the section for Offeror Identification as described in the front page of this Invitation To Bid and the certification information below.
3. (___) Check if firm submitting Bid is a Small Economically Disadvantaged Business Enterprise certified by King County that will perform the entire contract unassisted.
